

## PVC4RED

### Term Tech PVC Sleeving 4mmØ Red (100m Hank)

The Termination Technology range of PVC sleeving is suitable for general purpose. Providing insulation to the cores of a cable, protecting it from damage that can come from movement, weather, chemicals and other hazards. Available in a range of sizes and colours in bulk hanks and drums as well as smaller 5m packs.

## Technical Data

### Colour and Material

|          |                          |
|----------|--------------------------|
| Material | Polyvinyl Chloride (PVC) |
| Colour   | Red                      |

### Dimensions

|                     |     |
|---------------------|-----|
| Product Length (m)  | 100 |
| Product Ø (mm)      | 4   |
| Wall Thickness (mm) | 0.5 |

### Product Specification

|               |                                         |
|---------------|-----------------------------------------|
| Specification | Manufactured to BS2848 Type 3 Class 85T |
|---------------|-----------------------------------------|

### Quantities and Packaging

|           |                      |
|-----------|----------------------|
| Packaging | Hank in plastic wrap |
|-----------|----------------------|

### Temperature and Fire Information

|                                       |            |
|---------------------------------------|------------|
| Continuous Operating Temperature (°C) | -20 to +85 |
|---------------------------------------|------------|
