

Metal Fixing Band

Description

A wide range of Metal Fixing Bands are available in Tower's Installation Materials range.

These metal fixing bands can be used for securing many items such as electrical cabling, plumbing and air conditioning ductwork.

Tower's newly established 18th Edition Fire Rated range has been created with safety in mind to protect cables from premature collapse in the event of a fire, providing reliable, long-lasting protection in accordance with the IET Wiring Regulations.

Features

- Constructed of strong, yet pliable galvanized steel.
- Easily cut to length for various applications.
- Complies with BS 7671 18th Edition regulations for fire safety.
- 25-year guarantee

Standards

- BS 7671 Requirements for Electrical Installations
- BS 476:1989 Part 6 Fire Propagation Test (Class '0')
- BS 476:1997 Part 7 Surface Spread of Flame Test (Class '1')
